Comments

COMMENTS 1. Columbia Chapter has applied for IRS tax exemption status (501-c-3) in the past fiscal year but the status was not granted until FY2018-2019. 2. Columbia Chapter has implemented

an online tool to trace 'active' members for a given fiscal year. Active members are defined as members who paid their dues during the fiscal year. Numbers reported to the HPS for the FY2017-2018 (June 1st to May 31st) include * active members during the fiscal year * inactive members who have attended the meeting during the FY at least once * affiliate members and * lifetime members. SUGGESTIONS Need capability to list multiple meetings/events in same month.

This Chapter report was created on 12 July 2018 by George Tabatadze.
