## Comments

The Joint Atlanta and Deep South Chapter Meeting held in late October was such a success, that we are planning to make it an annual event. We are starting to look into Gulf Shores Alabama as a potential site. We also learned that we will be the local organizing committee for the New Orleans 2014 mid-year meeting. We are pleased to host Dr. Allen Brodsky's and Dr. Armin Ansari's visits in February. We have invited the executive members of the LSU student HP society to join our monthly board meetings which is our out-reach program to mentor up-coming students. Some members will also participate in Nanodays outreach to the Baton Rouge community. We have also been reaching out to the small group of minority students at Alcorn State in Mississippi. Respectfully submitted, Lorraine Day, PhD, HPS Fellow President Deep South Chapter
