Comments

Our last annual meeting was held in June 2023. We had Dr. Matthew Arno, PE, CHP, discuss "Evaluation of Radiation Doses from Canine Sn-117m Treatment" and Dr. Janine Katanic, CHP discuss "Recent Issues Associated with Monitoring Occupational Exposure to Radiation from Licensed and Unlicensed Radiation Sources."

I (Anthony Davila) am working with Wei-Hsung Wang and Amin Hamideh to get the chapter active again. We have planned our annual meeting for March 2025.

This Chapter report was created on 13 January 2025 by Anthony Davila.
