## Comments

Election of new officers will take place at the EICHPS business meeting at the April 2013 John Horan Symposium. Both the secretary and treasurer have left the area and are not expected to continue EICHPS membership. Roy Dunker has accepted the role of interim secretary/treasurer. Jason Harris, was unofficially named President last year after consultation with HPS Board Liaison, Sam Keith. While the chapter has not been very active, a real push will try to commence again in April and at the annual HPS July meeting to bring in new officers and work more closely with the Idaho Chapter of the ANS (this is partially in-line with the reorganization of the ISU HP program, which recently merged with Nuclear Engineering to form the Department of Nuclear Engineering and Health Physics). The EICHPS Student Branch (out of ISU) has had a very productive past year. Membership is about 20 and the branch held several technical and social events during the academic year. About fifteen HP students from ISU attended the Annual HPS Meeting in Sacramento, CA in 2012. Two students attended the 2013 Mid-year HPS Meeting in Scottsdale, AZ. It is expected that around 10 students will travel to Madison, WI for the 2013 Annual HPS meeting
