# Comments

After several years of inactivity, the Great Salt Lake HPS chapter was re-established in 2024. A meeting was held in October 2024, new officers were elected, and a technical presentation was provided by Dr. Luiz Bertelli on the Goiania Cs-137 contamination event. The meeting was attended by 24 people.

We are currently planning a 1 day HP symposium, the John Horan Symposium, to be held in conjunction with the Eastern Idaho Chapter. The symposium will be April 4, 2025 and President-elect Mike Lewandowski is scheduled to attend.

This Chapter report was created on 27 December 2024 by Frederick Monette.
