Comments

Working with Alex Boerner, HPS Chapter Liaison, over the past 9 months with trying to get the Greater St. Louis Chapter back on track. Significant leadership challenges the past 15 months; currently Scott Surovi maintains an official leadership role with vacant position (President-Elect and Treasurer). Several members have indicated their desire to help with reorganizing the Chapter. Current Chapter funds (checking account) totals

less than \$400.00. Need to further organize and increase membership, address meeting frequency, determine a dues structure, establish committees, etc. Looking to coordinate Chapter meetings with other local professional organizations.
