Comments

Our chapter continues to support radiation awareness and safety in Indiana and surrounding areas through the volunteer efforts of our members. We have regular attendance from the Mid-West Chapter (Chicago). We are proud to welcome more members from Kentucky. Our members continue to serve as informational resources for local and national media and as advisors to the Indiana State Department of Health for issues involving Radiation Safety. We have suspended dues for FY 2021 due to Covid but plan to resume both in person meetings and annual dues.

This Chapter report was created on 25 July 2021 by Richard T Whitman.
