Type:

Speaker: Aaron Specht, PHD

Attendance: 25

Comments

Our chapter continues to support radiation awareness and safety in Indiana and surrounding areas through the volunteer efforts of our members. We have regular attendance from the Mid-West Chapter (Chicago). We are proud to welcome more members from Kentucky. Our members continue

to serve as informational resources for local and national media and as advisors to the Indiana State Department of Health for issues involving Radiation Safety. We suspended dues in 2022 due to Covid and had our return to in person meetings in the Spring of 2023. A Fall 2024 in person meeting will be held.

This Chapter report was created on 29 April 2024 by Richard T Whitman.
