Comments

Chapter activities are at an all time high. The Science Teacher Workshop committee, chaired by M. A. Lewandowski held two workshops and participated in a Science Teacher day last fall. The Science Teacher Award committee, chaired by J. T. Flora recieved three nominations, one of which became our chapter awardee for 2007 (Larry Scheckel). Mr. Scheckel's name was submitted to the HPA Awards committee. We have also submitted a project completed by two young ladies in Iowa for the National Student Science Award. Other members of are working on science teacher instrumentation kits. A membership drive project was conducted by the current president resulting in eight new members at our spring 07 meeting.

This Chapter report was created on June 5, 2007 by Michael Lewandowski.
