Comments

The Chapter hosted an extremely successful 2009 HPS Annual Meeting in Minneapolis. Special thanks to co-chairs Jan Braun and Daniel McGrane and all Chapter members who devoted their time and efforts. The Chapter is planning to purchase new digital equipment for use in science teacher workshop kits to be loaned out to teachers. The Chapter has a workshop radiation kit use calendar on the website for scheduling use of science teacher workshop equipment.

This Chapter report was created on 5 May 2010 by Christopher Kessler.
