Comments

Adela Salamie-Alfie is currently serving her second term as our President-Elect; however, even though she is an HPS member, she is not listed as such on the system. Additionally, several that are listed as HPS members have been deceased for a few years (e.g., Robert Ryan, Osman Osman). Recommend HPS update the database that is used to list active members to reflect those that are current members. The chapter continues efforts to sustain and increase membership. Articles were submitted to the HPS Newsletter about several chapter meetings.
