With the dissolution of the Sierra Nevada Chapter, the NCCHPS welcomed those members into our Chapter and honored their years towards Life Membership. We are an annual contributor to the Burton J. Moyer Fellowship and in 2015 we increased our donation to \$5000. We continue to pursue additional members, coordinate with other professional Bay Area societies, and encourage our membership to volunteer to support the Chapter. Overall, this past year was encouraging through solid attendance of the Chapter meetings and new people stepping up to become part of the Board for 2014-2015.

This Chapter report was created on 18 February 2015 by Kaitlin Engel.
