Comments

We are an annual contributor to the Burton J. Moyer Fellowship; and in 2017-2018, we increased our donation to \$5500. We continue to pursue additional members, coordinate with other professional Bay Area societies, and encourage our membership to volunteer to support the Chapter. Overall, this past year was encouraging through solid attendance of the Chapter meetings. The rolls have recently been updated to account for individuals who have not participated for 5+ years. The numbers are less of a decrease in participation and more an accurate representation of the chapter's size for the past few years.

This Chapter report was created on 25 June 2018 by Daniel Hibbing.
