Type: Technical, Joint

Speaker: Dr. John H. Matonic

Attendance:

Apr '13 Meeting Topic: Spring Technical Meeting

Type: Annual, Technical, Other

Speaker: Various

Attendance: 28

Comments

The Rio Grande Chapter focus for the year has been upon continuing education for its members, increasing membership/participation from Los Alamos and also providing support/coordination for the grant received through the CRCPD. For another year, along with our colleagues in the New Mexico Waste Handlers Association, the Rio Grande Chapter went to Isotopes Park in August to watch the Isotopes play and enjoy some great camaraderie. For the upcoming year, the event is scheduled for August 9. The Rio Grande Chapter hosted National President-Elect Darrel Fisher on September 11, 2012 at our Fall Dinner Meeting held at Pappadeux in Albuquerque, NM. On February 8, 2013, the chapter participated with the ANS Trinity Section in their quarterly meeting. This quarter the topic was on Radioisotope Heat Sources. On April 14, 2012, the Chapter hosted Dr. Tom Johnson who provided a 4 hr session on HP statistics and Charlie Guinn provided a 4 hour training course on Emergency Response. Both were granted AAHP credits. On April 15, 2013, the Chapter coordinated its Spring Technical Meeting. The technical schedule was packed with a variety of presentations on numerous topics. Many of the presentations have been posted to the chapter website. The first quarter status report was filed with the CRCPD in support of the grant received.

This Chapter report was created on 16 July 2013 by Elaine T Marshall.
