We continue to conduct 2 technical meetings per year, Spring and Fall. The last 2 meetings were held virtually with the very helpful assistance of Burk and Associates. Elections for 2021 Chapter President-elect and Secretary are in progress.

The information is for 2021-2022. Our chapter report was delayed because we could not get meeting information from Burk & Associates regarding attendance at our meetings they supported. We will submit a 2022-2023 report next year.

This Chapter report was created on 9 September 2022 by Richard P Harvey.
