Speaker: Radio-Pharmaceutical Topic

Attendance:

Comments

We continue to conduct 2 technical meetings per year, Spring and Fall. The last 2 meetings were held virtually with the very helpful assistance of Burk and Associates. Officers for 2023-2025 are John T Pavel, President; Richard P Harvey III, President-Elect; Jillian B Oleandi, Past-President; Hollie Zimmerman, Secretary; Michael G Herbst, Treasurer. The 'hybrid' Fall 2024 meeting was conducted on October 11, 2024 at Upstate Medical Physics in Victor, NY and also on Zoom. The Chapter is currently planning a Spring 2025 meeting for late April or early May 2025 with a Radio-Pharmaceutical topic and a tour of a Radio-Pharmaceutical manufacturer in the Rochester, NY area.

This Chapter report was created on 17 February 2025 by John Pavel.
