Comments

As I indicated in the past, we keep trying, but most members are not interested in becoming involved. The membership is stagnant, and, due to deaths is beginning to decline. Our sources of new members (graduate and undergraduate programs) have completely dried up. As of the moment, we have plans in the works for one meeting next year. As we always try to do, we have invited the new President-Elect to visit the chapter. Nothing but the date

is firm yet, but the remaining details will be forthcoming.

Schwahn added "Annual" report type to the April entry based on
conversation with Chapter leadership.
