Submitted by Dan Strom 2011 June 20 Roy Dunker of Idaho State University is the de facto U.S. contact for the Republic of Georgia Chapter. This version of the report omits dues information, and the information on HPS membership of chapter members is speculative. The HPS Directory lists no members in the Republic of Georgia. The web form requires entering a state, which is incorrect for the Republic of Georgia. The web for should be modified with the goal of accommodating foreign addresses.
