## Comments

The CRMCHPS has been working closely with its Colorado State University Student Branch in selecting topics and speakers, often sharing speakers (on different topics) between the CRMC evening dinner meeting and the daytime CSU HP Program guest lecture series. The CRMC also has met jointly with the NIOSH Mountain and Plains Education and Research Center and invites local NRRPT Registrants and ANS members to attend its meetings. Dr. Thomas E. Johnson, CSU Student Branch Advisor is an energizing force for both the Branch and Chapter. Outgoing Chapter Secretary, Margaret Ashton, recently received instruction from the HPS Chapter Web sites Webmaster in how to make updates to the CRMC Web page directly. Margaret has begun revising the appearance and content of the CRMC Web site and the chapter looks forward to the new flexibility for making revisions. This collaboration and joint meeting of the CRMCHPS, HPS CSU Student Branch, NIOSH MAP ERC, NRRPT, and ANS has been very successful for our Chapter. The NIOSH MAP ERC has provided free meeting facilities

and arranges for a soup and/or deli sandwich buffet that allows the Chapter to keep dinner charges at about \$10 per person. These meetings are held at the Anschutz Medical Campus of Aurora, CO. As is traditional for our Chapter, its spring annual 1/2 technical meeting was held at the Student Center of CSU. This encourages participation by the CSU students, who present some of the best papers of the meeting. President-elect Armin Ansari was the dinner speaker for this meeting.

This Chapter report was created on 2 July 2012 by Nancy M. Daugherty.
