Science Teacher Workshop? no

Collaboration with other societies? yes

Collaborations: Since 2011 our chapter has been meeting jointly with the NIOSH Mountain and Plains Education and Research Center. Together we sponsor the Colorado State University Student Branch of the HPS. We also regularly invite non-members who may be NRRPT registrants, members of the American Nuclear Society and students/faculty from the Colorado School of Mines to attend. The Central Rocky Mountain Chapter provides the financial conduit (through our Treasurer) for the Colorado Radiation Response Volunteer Medical Reserve Corps (CRRVMRC). A number of chapter members are MRC volunteers.

Comments

The CRMCHPS works closely with the Colorado State University (CSU) Student Branch in sharing speakers (on different topics) between the CRMC evening dinner meeting and the daytime CSU HP Program guest lecture series. Dr. Thomas E. Johnson, CSU Student Branch Advisor is an energizing force for both the Branch and Chapter. The CRMC meets jointly with the NIOSH Mountain and Plains Education and Research Center (MAP/ERC). The NIOSH MAP/ERC is an affiliate member and provides funding which allows us to host student chapter members at no cost. Chapter meetings are held several times per year at the Anschutz Medical Campus in Aurora, CO, but the Annual Spring Technical meeting with student presentations and the HPS President-Elect presentation is held at the CSU campus.
