Baton Rouge is proud to host the 47th Midyear Topical Meeting for the Health Physics Society. Travel down south and experience our cultural traditions seen in our unique attractions, imbedded in the lyrics of our zydeco, blues, and Cajun music, and tasted in our blend of Creole, African-American, French, and Spanish cuisine. This city, Louisiana’s capital city, is truly the center of Louisiana’s cultural excitement.

Baton Rouge is surrounded by beautiful plantations, unique wildlife, and unbeatable food. A few attractions you and your family might be interested in are:

- Within a few miles of where you will be staying is the Center for Advanced Microstructures and Devices (CAMD), a synchrotron radiation research center.
- 40 miles east is Louisiana’s Laser Interferometer Gravitational-Wave Observatory, a facility dedicated to the detection of cosmic gravitational waves and the measurement of these waves for scientific research.
- From the hotel, you will be within walking distance of winning big at our casinos.
- Across the river (25 miles) is the South’s largest remaining antebellum mansion, Nottoway Plantation.
