   Wednesday, June 28  9:30 AM-Noon
   These hours are subject to change as dictated by program requirements.

2. Installation and Dismantling: Booths will be accessible to exhibitors for setting up displays after Noon, Sunday, June 25, 2006 and are to be ready for display by Noon, Monday, June 26. Packing and removal can begin at Noon until 6 PM, Wednesday, June 28.

3. Standard and Special Booth Equipment: Standard booth equipment consists of draperies assembled with polished aluminum attachments, backs 8' high and side rail dividers 33" high. These are included in the booth charge. A sign 7" by 44" with one line of copy for identification is furnished for the backdrop. Official Decorator is TBD. A complete line of furniture, display tables, and other items is available. Official Drayage Company is TBD.

All independent service companies performing work at the show site will be required to submit certificates of insurance for both workers’ comprehensive and general liability insurance, at amounts established by the state of Rhode Island. Deadline for receipt of these materials is June 6, 2006—three weeks prior to the start of the show. In addition, such contractor must submit his request in writing to the show management and list the names of all company representatives working in the exhibit area and must adhere to all exhibitor move-in and move-out hours and regulations.

4. Space assigned to an Exhibitor may be transferred by the Exhibit Manager to affect balance against congestion, to avoid confusion in firm names, to solve competitive conditions, or similar reasons. No such transfer will be made without notice to Exhibitor in writing. An Exhibitor may not share or sublet space to another party. One Exhibitor may not exhibit the named “end product” of another Exhibitor without permission of the Exhibitor and the Exhibit Manager in writing.

5. General Regulations: Loud speaking and sound displays are prohibited.

6. Direct selling of products or services is prohibited. Tentative arrangements or negotiations on a trial period basis toward an ultimate sale of their premises. No exhibitor will be permitted to give away fines of their own premises.

7. The foregoing regulations have been formulated for the best interests of exhibitors and the Society reserves the right to refuse any exhibit not in good taste or inconsistent with a meeting of this kind. All exhibits, backwalls and decorations will be limited to 8’ in height and not extending more that 2’ from the backwall except actual equipment which in normal operation exceeds this height. Permission to exhibit equipment with abnormal heights must be obtained from the Exhibit Manager.

8. All exhibit and booth materials, particularly drapes, curtains, table covers, etc. must comply with Federal, State and City Fire Laws, Insurance Underwriter and Providence, RI Safety Regulations, and must be flame-proof. All packing containers, excelsior and similar materials are to be removed from the exhibit area upon completion of the booth arrangement. The Exhibitor is restricted to materials which will pass fire inspection. Decorations of paper, pine boughs, leafy decorations or tree branches are prohibited. Volatile or flammable oils, soaps, uncoated pictures, other explosives or flammable material, or any substance prohibited by the City Departments or authorities, will not be permitted in the exhibition areas. Likewise, all electrical work and electrical wiring must be approved and installed in accordance with State and Local Regulations. Smoking in exhibits is prohibited. Crowding will be restricted. Aisles and fire exits cannot be blocked by exhibits.

9. In their best interest, and for security, Exhibitors shall keep an attendant in their booths during all exhibit hours. No exhibit may be dismantled before the specified time, nor may any part of the exhibit or equipment be removed, once it has been set up, without permission of the Exhibit Manager.

10. Due to the tremendous value of exhibits, it is impractical and impossible to insure Exhibitor’s equipment against loss, theft, damage and breakage. Neither the Rhode Island Convention Center nor any of its employees nor representatives, nor any representative of the Health Physics Society, nor Burk and Associates, Inc., nor any subcontractor will be responsible for any injury, loss or damage to the Exhibitor, the Exhibitor’s employees or property, however caused. In addition, the Exhibitor must assume responsibility for damages to the Rhode Island Convention Center property and indemnify and hold harmless the Rhode Island Convention Center from liability, which might ensue from any cause, whatsoever, including accidents or injuries to Exhibitors, their agents or employees. The Exhibitor must also assume responsibility for any accident, injury or property damage to any person viewing his exhibit where such accident, injury or property damage is caused by the negligence of the Exhibitor, his agents or employees. In view of the foregoing, Exhibitors are urged to place “extraterritorial” and other coverage on equipment and exhibits, and arrange for extended public liability insurance with their regular insurance carrier, particularly if they are conducting experiments or demonstrations using heat or high voltage.

11. The Health Physics Society and the Exhibit Manager for the meeting will cooperate fully, but cannot assume responsibility for damage to Exhibitor’s property, lost shipments either coming in or going out of the premises or for moving costs. Any damage due to inadequately packed property is Exhibitor’s own responsibility. If exhibit fails to arrive, Exhibitor will be, nevertheless, responsible for booth rent and no refund will be made. Exhibitors should carry insurance against such risks.

12. Exhibitors wishing to have Hospitality Suites must reserve them through the Exhibit Manager. Such Suites cannot be open during any Meeting or Exhibit Hour, and can be open after midnight only with Exhibit Manager’s permission.

13. The Exhibit Manager will attempt to assist and generally protect Exhibitors, keep them informed and will assume responsibility for its own misconduct and negligence all in good faith.

14. Rejected Displays: Unethical conduct or infractions of rules on the part of the Exhibitor or his representatives or both will subject the Exhibitor or his representatives to dismissal from the exhibit area. In which event it is agreed that no refund shall be made and further that no demand for redress will be made by the Exhibitor or his representatives in this event. No soliciting for business shall be permitted in aisles or in other Exhibitors’ booths. Samples, catalogs, pamphlets, publications, promotional materials, etc. may only be distributed by exhibitors strictly within the confines of their own premises. No exhibitor will be permitted to give away premium items, nor to conduct any prize drawings, awards for signing of names and addresses, or other extreme promotions without first obtaining written permission from the Exhibit Manager.

15. Care of Building and Equipment and Safety Precautions: Exhibitors, or their agents, must not injure or deface the walls or floors of the building, the booths, or the equipment in the booths. When such damage appears, the Exhibitor is liable to the owner of the property so damaged.

16. The Exhibitor will engage at its expense, and through the Spokane Convention Center where the Rhode Island Convention Center so requires, all necessary labor and trade performing functions directly related to the exhibit. The exhibitor agrees that any person employed to perform such functions on a temporary basis at the Rhode Island Convention Center shall be represented by the appropriate bona fide AFL-CIO Union.

17. Cancellation: If space contracted for is canceled by an Affiliate after May 25, 2006, or if the Affiliate fails to occupy space contracted for, the Society is entitled to the full amount of the booth space charge. If the space reserved is canceled by the Affiliate between April 25 and May 25, 2006, $500 for Class D dues will be retained by the Society and the balance refunded. If booth space is not occupied by 11:30 AM, Monday, June 26, 2006, the Society will have right to such space as it sees fit to eliminate blank spaces in the exhibit area.

18. Amendment to Rules: Any and all matters or questions not specifically covered by the preceding Rules and Regulations shall be subject solely to the discretion of the Health Physics Society.

The foregoing regulations have been formulated for the best interests of all Exhibitors; the cooperation of all exhibitors is requested.

Pre-Meeting Contact: Decorator and Drayage TBD

Please Note: Upon receipt of your contract and payment, a service kit will be forwarded to you, complete with information regarding furniture rental, freight and storage, installation, dismantling, labor and sign requirements.
