

## CALL FOR PRESENTATIONS

The National Radiological Emergency Preparedness (REP) Conference Committee is seeking presentations for the 2005 Conference, to be held April 12-14, 2005 in Harrisburg, Pennsylvania.

The Mission of the National Radiological Emergency Preparedness Conference is to provide a professional forum for individuals involved with radiological emergency preparedness programs to gather in the spirit of continuous self-improvement to share program experiences, develop solutions to common challenges, and create innovative planning, exercising and training methodologies. Conference attendees typically represent local, state and federal agencies and the nuclear power industry. Additional conference information can be viewed at the website: <http://www.nationalrep.org/>.

Suggested topic areas include:

1. Federal REP Activities – Issues and Recent Initiatives
2. Nuclear Industry REP Activities – Issues and Recent Initiatives
3. Radiological Terrorism
4. Impact of Federal Guidelines on Emergency Preparedness
5. Monitoring, Sampling and Assessment
6. Real Events – Their Impact and Lessons Learned
7. Training and Exercises – Lessons Learned
8. State and Local Government Issues in REP
9. Decommissioning and Emergency Preparedness
10. High-Level Radioactive Waste Disposal and Emergency Preparedness
11. Transportation of Radioactive Materials
12. Potassium Iodide (KI) – Current Efforts and Update
13. Health, Social And Psychological Impact Following an Emergency
14. Emergency Workers Protection
15. New Technological Applications in REP
16. Innovative REP Planning
17. REP Beyond The Border - International Issues
18. Open Issues in REP – Proposed Solutions
