The Health Physics Society (HPS) announces the availability of travel grants and travel/worker grants for health physics students planning to attend the next annual meeting of the HPS. To be eligible for this award a student must be a current member of the HPS (on record as having paid the current year’s dues), must be an undergraduate or graduate student in health physics or a closely related field with an area of concentration in health physics, and must have a strong health physics career interest. The award will consist of free meeting registration, free hotel room (based on shared accommodations), and funds to assist in travel to the annual meeting. Working at the meeting would involve up to five half-day sessions during which the student would assist in running projectors, setup, etc. Students who receive the travel grants will have the following responsibilities: (1) students must attend the awards ceremony during the annual meeting, (2) students must attend the 4:00 p.m. student orientation meeting on the Saturday prior to the meeting, and (3) students must complete all work assignments. **Failure to satisfy the above mentioned requirements for any reason will result in forfeiture of the travel grant.** The granting of an award and the actual amount of travel funds will depend on the number of applicants and will be consistent with the following priority schedule:

1. Students presenting a paper and willing to work — 1st Priority
2. Students presenting a paper or willing to work — 2nd Priority
3. Students neither working nor presenting — 3rd Priority

The travel grant application and all supporting material must be postmarked no later than 1 March 2007. Award winners will be notified by 15 April 2007. Students who are given this award play a vital role in the overall management of the annual meeting. Consequently, students who for any reason cannot attend the annual meeting must notify Stephanie Cross at the HPS Secretariat as soon as possible either before or after an award notice is received. Interested students should fill in the form below and send it to Stephanie Cross (scross@burkinc.com), Health Physics Society, 1313 Dolley Madison Blvd. Suite 402, McLean, VA 22101; phone: 703-790-1745; fax: 703-790-2672. (Please submit forms electronically if possible.)
