## **Comments**

Our chapter continues to support radiation awareness and safety in Indiana and surrounding areas through the volunteer efforts of our members. We are proud to welcome more members from

Kentucky, as we have absorbed many of the former Bluegrass Chapter members. Our members continue to serve as informational resources for local and national media and as advisors to the Indiana State Department of Health for issues involving Radiation Safety.

This Chapter report was created on 24 June 2019 by Timothy Kirkham.
