# Comments

Submitted by Dan Strom 2010 June 30 based on information transmitted by Roy Dunker of Idaho State University. Roy is the de facto U.S. contact for the Republic of Georgia Chapter. This version of the report omits dues information, and the information on HPS membership of chapter members is speculative. The web form requires entering a state, which is incorrect for the Republic of Georgia. The web form should be modified with the goal of accommodating foreign addresses.

This Chapter report was created on 30 June 2010 by Daniel J Strom.
